KP4	0410 0145 000	3	56	150x145	149	 1

## Lubricant for HELAVIA® and SILAVIA sleeves

LUB2

This product allows easier application of our sleeves type A5 to A 10 when used with SES sleeve expanders.

The LUB 2 lubricant is supplied in a can of 3 dl with a brush in the cap.

This characteristic allows the minimum quantity of lubricant necessary to apply sleeves easily from the expander prongs.

LUB 2 is a special product designed by STERLING which does not affect Neoprene elastomers.

It is an odourless, tasteless, vaseline oil-based product that can be used in the proximity of foodstuffs and is not toxic.

type	article number	
LUB 2	0707 0001 000	 can of 2,5 dll with brush
